On the above date and time, Officers were dispatched to 114 Woodside Green Apt 1C for a report of a mentally disturbed person. It was reported by the Patient's boyfriend identified as Eric Francis, DOB 8/11/58 that his girlfriend identified as Miriam Carey, DOB 8/12/79, whom he also has a 4 month old child with, has been acting out irrationally, has been having delusions, and becomes violent. That tonight Eric called police for help two times.

The first call, Eric was very concerned about his 4 month old child and his girlfriend Mirian as he hadn't heard from them for several hours (since Approximately the afternoon on Friday 12/21/12) and wanted to file a missing persons report for both of them. Eric is concerned because ever since the birth of his child, the mother, Mirian, has been having ongoing problems with her newly developed mental health conditions of Delusions and episodes of Schizophrenia. That tonight, Eric was concerned for Miriam's and his daughter's welfare due to this newly learned condition.

Sergeant Scalise and Officer Giamarcco and I responded to the above location. Eric told us that Mirian has been gone since Friday Afternoon and at 5 am on Saturday 12/22/12 she was still not home.

While Officers were beginning to prepare missing persons reports, Mirian came home and began to get upset at police presence at her residence. Eric was able to calm Miriam and told Officers that he would be fine and that he would call police if he needed any further assistance. Incident # 121222-0087

Officers cleared without incident only to return an hour or so later at approx. 0616 hours for reports that Mirian was beginning to fight others in the apartment and that her four month old was present. Upon arrival Officers met with Eric and observed Mirian within the apartment acting out violently baby milk was seen spattered all over the apartment.

Officers are aware of Mirian's condition and that the boyfriend Eric was attempting to care for her and the child the best he can. But, Mirian was getting so out of control, Eric needed to call police again for assistance. Sergeant Scalise, Officers Velez, Giamarcco and I arrived. Officers saw that Miriam was out of control and was confrontational and stated that she refused to go to the hospital. During this time when Mirian was acting out violently towards items in the apartment and towards her boyfriend, she was holding her child and refused to pass off the child, so she can go to the hospital for treatment.

Officers were able to hand off the child to the father. Officers then handcuffed Mirian and began to escort her out of the apartment. While in the hallway, Officers began to check Mirian for weapons or anything that can be used as a weapon during transport. During this time, Mirian leaned forward violently lifted her knee in preparation to execute a back kick. As I was positioned behind her, I saw this motion. She then thrust a violent back kick right between my legs. I was then able to quickly move my knees together catching her foot just prior to making contact with my genitals. I then held this led keeping her off balance as Officers brought her to the ground.

While dealing with Mirian's violent outburst, Officer Giamarcco injured his right shoulder. He was later taken to the Stamford ER for treatment and suffered a rotor cuff injury. See Incident # 121222-0094.

Mirian was taken to that Stamford ER for an evaluation

Note: That on several occasions in the recent past, Different Officers had dealt with Mirian for similar issues. Mirian has [REDACTED] that she is a prophet and that there are CCTV cameras linked to the big networks for her reality TV Show for the government. [REDACTED] was that she is a prophet for the City of Stamford and has direct communication with President Obama and will only speak to him.
